

Legion President Bud Ball (left) watches as Secretary Ted Oscar pins the first poppy on Mayor R. Findlay to start Remembrance Week in Drayton Valley from November 6th to 11th.

Remembrance Services to Be Held Saturday Morning

Planning is now completed for the annual observance of Remembrance Day in Drayton Valley on Saturday, November 11th.

This year's parade will be preceded by the serving of lunch in the Legion Hall at 9:45 a.m. with the parade moving off at 10:15. The parade will march to the Cadium Theatre where remembrance services will be conducted.

Marching in the parade will be RCMP, Legion Colour Party, Legion and Veterans, Legion Auxiliary, Air Cadets, Scouts, Cubs, Rangers, Guides and Brownies.

Services in the theatre will

commence at 10:25 with Father Lynch leading prayers followed by an address by Rev. Ingram. Wreaths will be laid in the theatre by Mrs. E. Waugh for the mothers, Mayor R. Findlay for the Town of

Drayton Valley and Mr. W. Peters for the Provincial Government.

At the conclusion of the service the parade will march back to the Legion Hall where it will be dismissed.

Copter Damaged Sunday Afternoon

Two years of work went down the drain quickly Sunday afternoon when the home-made gyro-copter built by three local men cracked-up on the first flight of the day.

Harvey Nelson, who was operating the machine, was uninjured but the gyro-copter was extensively damaged when it went out of control before leaving the ground and crashed through underbrush at the side of the air strip in Drayton Valley.

The machine was completed recently and underwent its first power tests one week earlier. The builders, Mr. Nelson Rudi Merschel and Gary Gough were disappointed by the unfortunate accident but plan to strip the machine down and rebuild it completely during the winter.

Two more gyro-copters are also now under construction by the men--one is nearing completion and the third was scheduled for completion by spring.

Caravan Ends Alberta Tour

Canadian Confederation Caravan #7 concluded its 12,000 mile Alberta tour in Drumheller last week. Since May 1st it has brought the story of Canada to 560,000 people in ninety-five communities throughout Alberta, the north-eastern part of British Columbia, and the Yukon and Northwest Territories.

Biggest single day drew 7,525 visitors in Beaverlodge, Alberta but the record total attendance for any one engagement was chalked in Grande Prairie where 19,343 people went through the Caravan in four days. In many isolated areas the Caravans were a highlight of the Centennial celebrations, and literally millions of school children throughout Canada gained an appreciation of their heritage from the pages of living history which the Caravans presented so vividly.

The Alberta Caravan has been driven back to the ATCO plant at Airdrie where it was manufactured, and the crew dispersed to their homes.

Hockey Club to be Organized

Plans are underway for the formation of an intermediate hockey team in Drayton Valley that would use older players and young fellows not quite ready for the senior Rebels.

A meeting is scheduled for Thursday, November 9th at 8 p.m. in the lobby of the Centennial Civic Centre to which all interested persons are in-

Vocational Wing Proposed for F.M.H.S.

Arising from the minutes of the Stony Plain School Board is the possibility that the Frank Maddock High School in Drayton Valley may soon have a vocational wing.

Mr. Hanocho, assistant superintendent, presented the board with tentative figures of projected enrolment at Seba Beach and Drayton Valley. According to his figures Drayton Valley should qualify for a vocational wing by 1969.

The board authorized the superintendent and assistant superintendent to prepare a brief to be presented to the Vocational Branch of the Department of Education requesting permission for a vocational wing in Drayton Valley.

DOUG CASTON

CASTON WINS JASPER-EDSON

Doug Caston, publisher of the Edson Leader, retained the Jasper-Edson seat in the House of Commons for the Progressive Conservatives in Monday's

federal by-election. The seat was vacated by P.C. Dr. Hugh Horner to campaign successfully in the Lac Ste. Anne riding in the last provincial election.

Only 13,000 of almost 30,000 eligible voters cast ballots in the by-election with Mr. Caston receiving 6,739 votes. Liberal Allen Sulatycky of Whitecourt followed with 3,901 and Bob Christensen, N.D.P. of Seba Beach received 1,733 votes.

The Jasper-Edson seat will disappear in the next general election when the riding becomes a part of the new Rocky Mountain Constituency.

Mr. Caston will take his seat following Declaration Day next Monday.

Report U.F.O.

Another U.F.O. sighting has been reported in the Drayton Valley area.

Three men, who wish to remain unidentified, report sighting a silver disc or hexagon-shaped object last Wednesday. The object, which had no resemblance to a conventional aircraft, appeared to hover momentarily overhead at a high altitude and then departed at high speed and vanished in a southeasterly direction.

A UFO report was also made in Calgary on the same day as the Drayton Valley sighting.

Goblins Present Hallowe'en Treat

Some nice things happen on Hallowe'en. This was one of them.

A group of children arrived at the home of Ray and Mary Endicott where their grandson Michael is confined to a cast. The grandparents had been bringing Michael to the door to see the goblins and spooks.

In answer to their curiosity about Michael's cast they

were told of the car accident in which he was injured and their response was immediate. From their collections they loaded Michael with Hallowe'en goodies.

Michael was thrilled. His grandparents were thrilled. It was a wonderful, open-hearted gesture and we're sure the youngsters involved will never enjoy a better Hallowe'en.

Nomination Committee Named by Chamber

The regular monthly meeting of the Drayton Valley and District Chamber of Commerce was held as a supper meeting at the Jade Cafe on Thursday, November 4th. About ten members attended.

President Jack Bright reviewed activities of the summer recess and the months of September and October when meetings were cancelled due to lack of attendance.

A committee report was heard from Wendy Sekura on agricultural affairs and the county situation was reviewed at some length.

A letter was read from the

Provincial Department of Industry seeking information on Drayton Valley to fill the request of an unidentified firm making an inquiry about this area. The letter was turned over to the Industrial Committee for action.

Election of officers will take place at the December meeting with those elected to take office in January. A nominating committee of Alex Zubot, Wendy Sekura and Howard Pickup was named to bring in a slate of officers at the meeting on December 7th.

MAGNOLIA NEWS

Mrs. G.P. MacDougall,
Correspondent.

A very successful supper was held at Magnolia Hall, Sunday evening, October 29th. Nearly all the community was represented including a good representation from the surrounding districts.

The highlight of the evening was the presentation of cheques by Mr. Geof Hampton on behalf of the community to two local girls, Miss Gladys Chechotko and Miss Shannon Campbell for bringing honor to the district with their scholastic achievements. The girls were also presented with guest tickets to the supper.

A draw was made for the doll raffle, Mr. J.T. Dykes of Edmonton, the lucky winner.

November 1st was the last day of mail service at our local country post office.

We have enjoyed daily mail

service since the store and post office at the old Magnolia site burned down about ten years ago and Mrs. C.L. MacDougall took over.

Mrs. MacDougall moved to Hinton a year ago and Mrs. Grace Anderson rented the MacDougall home and took over the duties of Postmistress. Mrs. Anderson is moving to Stony Plain and our mail is being delivered to Entwistle. The mailing address remains as Magnolia because it is hoped we will get rural route service in the near future.

Mr. and Mrs. Herb Gilbert of Sundance were Sunday guests at the home of Mr. and Mrs. Bob McCracken.

The Ladies Club held their monthly meeting at the home of Betty MacDougall November 1st. Plans were made for the Christmas party for the children at the hall in December. Lunch was served, Marjorie Anderson winning the tea prize.

Mr. and Mrs. Bob McCracken and Pat spent several days in Hinton last week.

THE TOWN OF DRAYTON VALLEY

Proclamation

Having deemed it right and proper so to do, I, Robert M. Findlay, Mayor of the Town of Drayton Valley do hereby proclaim that the week commencing November 5, 1967 be

"Remembrance Week"

in The Town of Drayton Valley.

And we, in our authority, do call on all persons within our town to support and promote the Spirit of Remembrance all during the Aforesaid Week.

Town of Drayton Valley

Summary Regular Board Meeting

The regular meeting of the board of the Stony Plain School Division was held in the Divisional Office on Wednesday and Thursday, October 11th and 12th.

It was moved and carried that Peter Kowalchuk be designated vice-principal of the Drayton Valley Elementary School effective November 1, 1967.

Werner Albrecht, bus operator, came to see the Board regarding the overload on his school bus. He is presently carrying 54 pupils on a 48 passenger school bus. It is possible to extend Gordon Goebel's route for 1 mile to relieve him of his overload.

It was moved and carried that Gordon Goebel's bus route be extended 1 mile to relieve Werner Albrecht of his overload.

The following applications were received for the Entwistle caretaking: Mr. Gordon MacKenzie, Mrs. Phyllis Tufty.

It was moved and carried that Mrs. Phyllis Tufty be appointed as caretaker of the Entwistle School at a salary of \$225 per month.

It was moved and carried that 2 manual wide carriage typewriters be purchased for the Drayton Valley Junior High and Elementary Schools and that quotations be obtained on ten more.

Mr. Stan Jamison, who drives J. Blackburn's school bus came to see the Board regarding complaints from parents on his route about bus service. There are two families complaining that their children have to board the bus too early and they want the route changed which would involve considerable extra mileage.

It was moved and carried that the Jules Blackburn bus route be not changed.

It was moved and carried that Mrs. Christine Worden be appointed Vice-Principal of the Tomahawk School effective October 16, 1967.

SUPERINTENDENT'S REPORT

Mr. Henry Toews advised the Board that the Government of Canada will be offering medals to Canadians in every walk of life. Nominations of recipients is to be made by a committee for each School Board consisting of a School Board Member, School Superintendent and a member of the A. T. A.

It was moved and carried that Mr. Wm. Barth serve on the committee to nominate prospective recipients of the Government Centennial medal.

Mr. Toews further reported that an opportunity room has been opened in Seba Beach with Mrs. Mary Chapman as teacher. However, some furniture is required there and also in the staff room.

It was moved and carried that Mr. G. E. Jouan be authorized to purchase the necessary furniture for the Seba Beach School.

It was moved and carried that transfers in Grade one of children whose sixth birthdays fall after December 31 of the year they start will be accepted in the Stony Plain School Division during the year.

ASSISTANT SUPERINTENDENT'S REPORT

Mr. F. Hannochko reported on his preliminary plans for the official opening of the Stony Plain Commercial Wing. He has tentatively made arrangements to hold the opening on Friday, December 1st at 7:30 p.m. However it was suggested that this should

perhaps be changed to Thursday, November 30th.

Mr. Hannochko further presented tentative figures on projected enrolments for the Seba Beach and Drayton Valley areas. According to his figures by 1969 Drayton Valley should qualify for a Commercial Wing.

It was moved and carried that the Superintendent and Assistant Superintendent be authorized to prepare a brief to be presented to the Vocational Branch requesting permission for a commercial wing in Drayton Valley.

It was moved and carried that the next regular meeting

be held on Tuesday and Wednesday, November 14 and 15.

It was moved and carried that a large display case be built for the Duffield school and that fluorescent lights be installed in the hallways of the old section of the school.

It was moved and carried that Mrs. Elaine J. Koebernick and Mrs. E. Margaret McDonald be authorized to build a portable two-car garage on the site of one of the Drayton Valley apartments subject to the following conditions:

(a) Proper authorization be obtained from Town Council
(b) The garage be suitably painted.

(c) The tenants assume responsibility for any additional taxes imposed on the building.

It was moved and carried that the Drayton Valley Elementary School gymnasium be redecorated.

Letters to the Editor

The Editor
The Western Review.

Dear Sir:

As a resident of the Drayton Valley district, I am very dismayed of some of the people who trick the little kids, rather than treat them. All of these children look forward to dressing up, usually over-stuffed, and tired by the end of the evening. I don't think quite deserve to carry around big bags of goodies, which include stones, old light bulbs, rotten potatoes wrapped in foil and above all, soaped candy.

As adults, we are to set an example for our children, but how can they be taught properly with this being done. This is why perhaps on Hallowe'en we have such vandalism as a result of these children, being mistreated at the doorstep. Who pays for it? The kids of course, being caught at their revenge, then dealt with by the authorities.

P. Cheney.

When hanging a coat or dress on the line, use two hangers hooked in opposite directions and the wind will not blow the garment off.

Editorial — Comment

Public Apathy

As is usually the case in federal, provincial and municipal elections, less than half the eligible voters took the trouble to cast ballots in Monday's by-election in Jasper-Edson constituency. What makes Canadians so apathetic in the matter of filling political offices?

If in our lifetime we were compelled to win the right to vote with the sword and figuratively mark our ballots with the blood of brothers and fathers, we might have more respect for our democratic privilege. But it appears our rights come too easily and it's more convenient and pleasant to play and dance than think about affairs of the nation, province and community.

Firearm Commandments

1. Treat every gun as if it were loaded.
2. Unload your gun before taking it into home, camp or car.
3. Be sure the barrel and action are free of obstructions like mud, snow and ice.
4. Always carry your gun so you can control the direction of the muzzle should you trip or bump your arm.
5. Be sure of your target before you even put your finger on the trigger.
6. Never point your gun at anything you don't want to shoot.
7. Before you put your gun away—for an hour or a year—check and recheck to make sure it's empty.
8. Never climb a tree, over a fence or into a boat with a loaded gun in your hand.
9. Never shoot at a flat hard surface, or the surface of water.
10. Do not mix alcohol and firearms.

—Unknown

Figure Skating Workshop Held

The Drayton Valley Figure Skating Club was host to a skating workshop Saturday, November 4th in the Centennial Civic Centre.

The purpose of the clinic was to acquaint groups interested in figure skating with the program of the Alberta Figure Skating Association. It is the hope that this group can give assistance to areas interested in figure skating.

Guest speakers and teaching instructors from Edmonton gave interesting talks on administration, carnivals and teaching techniques.

Out of town guests were from Warburg, Rocky Mount-

ain House and Irma, and included many young people interested in teaching.

The Drayton Valley Figure Skating Club would like to take this opportunity to thank the ladies that donated lunch and the many skaters that came out to demonstrate their skating ability. Also Mr. Gormley for setting up a film which was very interesting.

Leftover baked beans disappear quickly as "crusty-top baked beans." Place the beans in a greased baking dish, sprinkle with grated cheese, top with buttered crumbs and bake 40 minutes in a moderate oven.

BERRYMOOR

Mrs. D. Martin
Correspondent

Mrs. O. Bowen has spent another few days in the Drayton Valley hospital. This is the second time that she has been hospitalized lately. We do hope that she is feeling well again soon.

Little Joan Berry has also been in Drayton Valley hospital. She had a tonsil operation and will be back at school in a few days.

The Berrymoor Three B's Club held their monthly meeting at the home of Mrs. Olive Thatcher on Saturday, October 28th. Quite a number of ladies were in attendance and three new members were welcomed.

Russell Hutchison has also

been in hospital for a short stay. He was back on the job again this week, we are happy to report.

A very active and long time member of the Warburg Legion, No. 205, Mr. W. Lehay, passed away quite suddenly. His funeral was held at Warburg on Thursday, November 2nd with full legion honors. He will be missed by his many comrades and friends. Sincere sympathy is offered to his family.

Congratulations to Ray Ellis of Breton who has won a trip to Toronto on a contest held by Camrose radio station CFCW.

A bridal shower was held for Miss Lynn Horsman on Wednesday afternoon at the home of her parents. She received a nice group of presents and graciously thanked all the ladies who came.

Mrs. M. Whitaker left on Monday morning for a trip to Calgary and a few days holiday.

Art Tweedle has left for a job in northern Alberta. He has been employed by Charles Lindahl during the farming season.

Stuart Bell's auction sale on October 31st was quite well attended despite the cool weather and mud.

Hallowe'en came and went very quietly in our district. Of course, a few spooks and goblins were seen about.

We have two ears and one tongue, that we may hear much and say little.

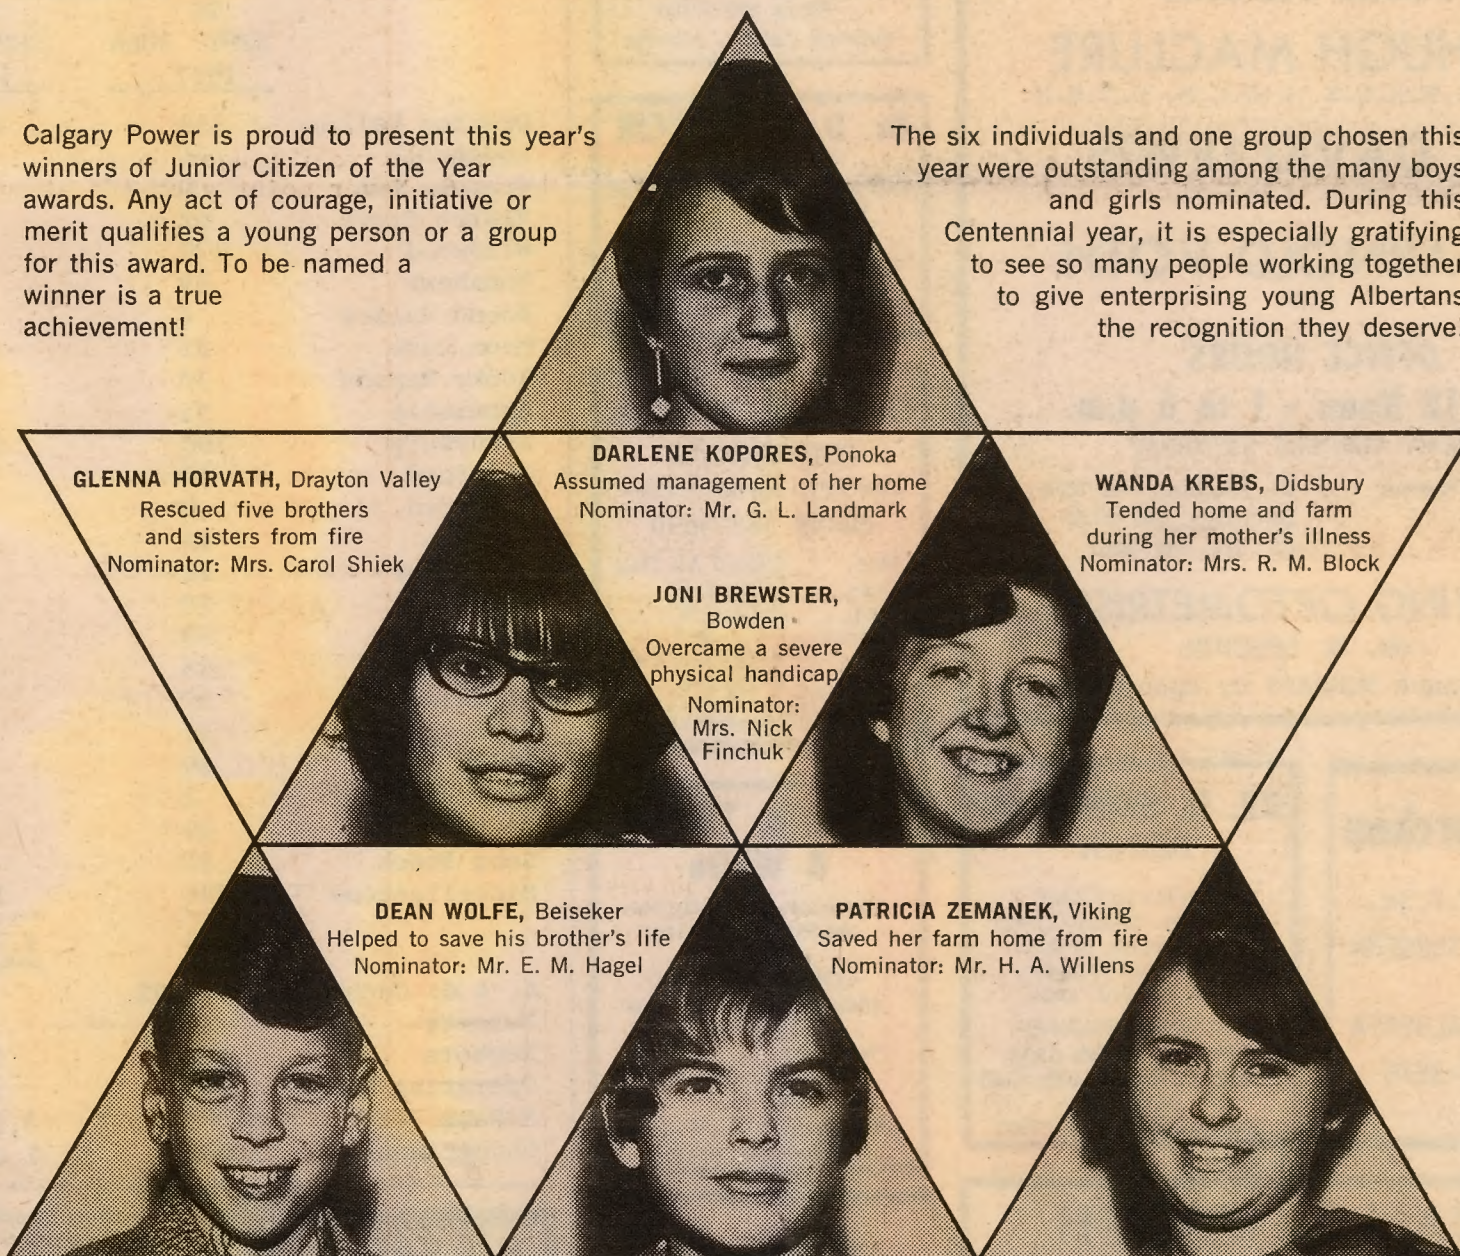

In any argument the man with the greater intelligence is always wrong, because he did not use his intelligence to avoid the argument in the first place.

Proudly Introducing Your Alberta Junior Citizens of the Centennial Year!

Calgary Power is proud to present this year's winners of Junior Citizen of the Year awards. Any act of courage, initiative or merit qualifies a young person or a group for this award. To be named a winner is a true achievement!

The six individuals and one group chosen this year were outstanding among the many boys and girls nominated. During this Centennial year, it is especially gratifying to see so many people working together to give enterprising young Albertans the recognition they deserve!

GROUP AWARD:

Winners of the group award were members of Class 91, Sherwood Heights School. They displayed good citizenship in undertaking 'Project MacDonald' to commemorate our Centennial year.

Calgary Power gratefully acknowledges the help and active participation of Alberta's newspaper editors who promote, organize and select the winners of this award. We also thank the many responsible men and women of our Alberta who sent in Junior Citizen of the Year nominations. The Junior Citizen of the Year program is sponsored by Alberta's investor-owned electric utility companies.

CALGARY POWER LTD.

Proud of our Alberta Heritage

Entwistle News

Mrs. E. Oliver, Reporter

On October 28th, five tables of whist were played with the prizes going to: Travelling Ladies', Thelma Dolf; Traveling Men's, Clifford Jevne; Ladies Whist Prize, Mrs. McKenzie; Consolation, Thelma Dolf; Men's, Hubert Forecast; and consolation, George Bullock. Whist will be on November 18th instead of the 25th because of a program being presented at the hall that night.

Mrs. A. Dean went to Sexsmith on the weekend to visit a sick relative.

Mr. and Mrs. Sandy Huculak of Edmonton were visitors at the Oliver home. Mrs. Hucul-

ak is a sister to Mr. Oliver. They came to see Vernon before he leaves for Calgary on the weekend.

The Radio Choir of the Three Hills Bible School will be presenting a program on November 25th in the Entwistle Hall. Since that weekend is the time for celebrating the church anniversary, they will also be at the Sunday School service and the church service too. More detail will be announced later.

Winners at the annual masquerade which was held on October 31st, the prizes went to: Mens--Best Dress, Dave Rooke; Most Original, Edward Nelson; Ladies--Best dress, Maggie Hoople; Most Original, Ruth Messenger.

A new club has been formed

at the Entwistle Community Church, known as the Happy Hour Bible Club for Grades 5, 6 and 7. It is being held on Friday evenings from 7 to 9 p.m. A Hallowe'en party was held Tuesday with everyone having a real good time. Anyone wishing to join the club contact Mrs. DeJong, phone 727-3971.

ROCKY RAPIDS

Mrs. Eileen Belya
Correspondent

We were sorry to see three families leave our district, Mr. and Mrs. L. Wall, Mr. and Mrs. A. Freier to Drayton Valley and Mr. and Mrs. A. Eisner to Minnesota, U.S.A.

It is nice to hear Mrs. Schoen is home after her stay in an Edmonton hospital. Mr. Louth was a patient in Drayton Valley Hospital.

We hope Mr. Fred Cameron who is a patient in the Colon-

el Newburn Hospital in Edmonton will be up and around again soon.

Mr. and Mrs. H. Haidikopf are now living on the Freier farm.

Mr. and Mrs. Robert Stewart and Dale of Devon visited Bob's mother, Mrs. Dora Stewart on the weekend.

Rocky Rapids Community League are sponsoring a supper and dance on Friday, November 17th. Tickets may be obtained from any club member or phone 542-2190.

F.M.H.S.

School Flashes

By Bonnie McGaughey

This week began with a volleyball match against Breton. Both F.M.H.S. teams were victorious. The boys are now ahead in the league.

To open the basketball season the Harlem Comedy Kings played the Frank Maddock Warriors on Friday, November 3rd. There was a tremendous crowd and they were thrilled with the hilarious antics of the Kings who won the game 58 to 51. Basketball practices are well underway for the boys

and the girls started on Monday, November 7th. The coaches are Mr. Bradley and Mr. Hutton. We wish them luck for a successful year.

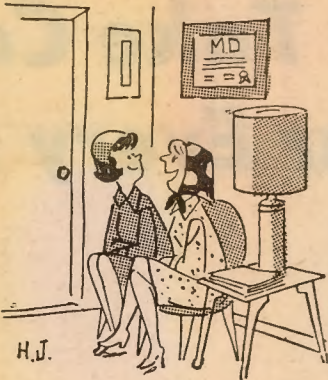

The first publication of the Oracle, the school paper, was put into circulation on Thursday. Most of the comments were favorable and the paper sold well. Subscriptions are still available.

Curling started Monday the 7th for ten teams made up of Grades 11 and 12. There are also 6 teams of grades 9 and 10 students playing on Thursday.

Dislikes: People who gossip.

Marilyn's favorite memories of school were the noon hours and weekends. She wants to be a dental assistant.

"He's raised his fees so I'm going to throw in a few symptoms for my sister!"

4-H Members Leave for Eastern Award Trip

Fourteen top provincial 4-H club members were guests of honour at a send-off banquet sponsored by the Alberta Wheat Pool on Monday, November 6 at 6:00 p.m., at the Saxony Motor Inn, Edmonton.

Special guest speaker was well-known broadcaster Bruce Hogle, Manager of News and Public Affairs, CFRN, Edmonton.

The delegates left November 7th accompanied by four 4-H members and an adult leader from the Northwest Territories, and Lyle McNichol, 4-H Associate Supervisors, Alberta Department of Youth.

The thirty-sixth National 4-H Club Conference trip was awarded to 4-H members at provincial competitions in each province. Attending from this area are Dennis Martin of Lindale and Terry Kremeniuk of Evansburg.

In Ottawa, all 4-H award delegates will be presented with Canadian Citizenship Certificates by W.E. Jarvis, Assistant Deputy Minister of the Canada Department of Agriculture, Ottawa. It is planned that the delegates will meet His Excellency The Right Honourable Roland Michener, Governor General of Canada and The Right Honourable Lester B. Pearson, Prime Minister of Canada. They will attend an afternoon session of the House of Commons, tour the Parliament Buildings and visit Government House.

In Toronto, they will tour the Royal Agricultural Winter Fair and be welcomed by General Manager W.P. Watson, in the Agricultural Hall of Fame on Tuesday, November 14th. On the same day, they will attend the evening horse show as guests of the Royal Agricultural Winter Fair.

It's Time!!

.....to freshen up your winter coats, dresses, skirts and sweaters.

DOUG HALL

Art Club Holds Centennial Tea and Show

A Centennial Tea and Art Show was held by the Drayton Valley Art Club on Saturday in the Elks Hall and proved a very pleasant afternoon.

Members of the club displayed their paintings of scenes, florals, portraits and abstracts. The art was arranged around the room for the visitors to view while partaking of the dainty lunch.

As their centennial project this year, the Art Club donated six pictures to the Drayton Valley Memorial Hospital to be placed in the new wing.

Later in the afternoon, Mayor R. Findlay drew the ticket for the door prize, a lovely floral painting, which was won by Mrs. R. Elliott of Drayton Valley. The Art Club meet every Thursday evening in the Drayton Valley Elementary School and are always pleased to welcome new members to their group.

Rural Welding Clinics Planned This Winter

Practical instruction and training in electric and acetylene welding will be given at the five-day welding clinics scheduled to start in rural areas of Alberta on November 13 and will continue until March 29th.

J.L. Reid, head of the Agricultural Engineering Branch of the Alberta Department of Agriculture, reports that there will be 12 electric and 12 acetylene units to enable farmers attending the clinics to get practical experience in both types of welding. The two instructors have farm backgrounds and are well qualified in their field.

Between 8,000 and 9,000 Alberta farmers have taken advantage of these rural welding courses during the past 12 years, according to Mr. Reid. Their enthusiasm for the instruction they received is reflected in the number of requests the Department has received for advanced welding courses. In response to those requests, the Department has decided to hold advance welding courses at Sunnyside and Two Hills in March of next year.

Alberta's rural welding clinics are conducted annually by the provincial Department of Agriculture in co-operation with the Department of Education and the electrical power utility companies who provide the electrical hook-up and the electricity.

The Northern Alberta Institute of Technology hockey team will be here Sunday for an exhibition game with the Drayton Valley Rebels. The N.A.I.T. team plays at the Junior College level and is coached by Doug Hall who won the Most Valuable Player Award for his performance with the Rebels last year.

The game will be held at the Centennial Civic Centre and will get underway at 2:00 p.m. sharp.

This will be the first chance for the 1967-68 version of the Rebels to test their potential. The Rebs have been practicing regularly every night during the past week and should be in good form for Sunday's game. There is a possibility that Doug Hall will be playing Sunday. Hall will see action with the Rebels during the coming season at least on a part time basis. He will be commute as often as possible to be with the Rebels both on the road and at home during the 24 game North Central Alberta Intermediate Hockey League season.

The Rebels will likely pick up another exhibition game either at the local Civic Centre or away before their league opener against the Wetaskiwin Colonels on November 21st here in Drayton Valley.

Plan Bowling Tournament

The Drayton Valley Bowling Association's First Annual Mixed team tournament deadline, December 10th, draws near. Bowlers are asked to help make this, the bowler's tournament, a great success. Entry fee is \$15 per team.

All interested teams can make their entries known at the Twilight Bowl where all additional information may be obtained.

Local Man Wins Boat in Fish Derby

A Drayton Valley man, Lou Beauchamp, returned from a Thanksgiving trip to Prince Rupert winner of a new twelve foot aluminum boat, first prize award in a fishing derby held at the coast during his visit.

The salmon derby, taking in the Prince Rupert, Terrace, Kitimat area, was won by Mr. Beauchamp with a 25 pound steelhead.

Mr. Beauchamp, an employee of Pembina Pipeline, was accompanied on the trip by Bill Cross of Drayton Valley and two other men from out-of-town.

Plan Social

A social evening is planned by the Drayton Valley Legion Branch and Auxiliary on the evening of Saturday, November 11th.

Provincial Fire Commissioner Austin Bridges attended the annual meeting of the Alberta Weekly Newspapers Association to present awards to editors who contributed most to the 1966 Fire Prevention Week Campaign. Flanking the fire commissioner are George Mayer (left) of the Taber Times and L.H. Drouin of the St. Paul Journal. A third went to L.J. Rushka of the Sundre Roundup who was not on hand for the presentation.

Hospital Board Extends Thanks for Furnishings

The Board of Directors of the Drayton Valley Municipal Hospital wish to express their thanks to Imperial Oil Limited for their contribution of the complete furnishings for a private ward in the new wing of this hospital, this donation having been kindly delivered by that Company's local Production Manager, Mr. Hugh MacKenzie of Drayton Valley.

Amateur Boxing Card To be Presented Nov. 17

Amateur boxing is again fast becoming a popular sport in Drayton Valley. With an eager crop of new boxers, the Pembina Boxing Club again plan to compete for Provincial and Dominion Boxing Championships, which they have won in past years.

The club's first competition of the season will occur in the Drayton Valley Elk's Hall at 8 p.m. on Friday, November 17th when they meet other boxers from Rocky Mountain House and Edmonton. This coming boxing card, which has been sanctioned by the Alberta Branch of the Amateur Athletic Union of Canada, is being sponsored solely by the Pembina Boxing Club.

All sport fans are urged to give their support to this community boys' club by attending their boxing card on November 17th.

Have you ever wondered...

... where Alberta students can learn the "art" of hospitality?

During the summers, hundreds of Alberta students obtain employment in city stores, resort hotels, gas stations, golf courses, areas where they are bound to meet and serve the province's visitors. To prepare these young people for their responsibilities as representatives of the province to the tourist, a training-in-tourism course is sponsored each year by the Alberta Department of Youth. The Alberta School of Tourism provides a short course to help students improve their employability, increase their knowledge of the tourist industry and Alberta, and to aid them in promoting Alberta as a tourist area. Courses are offered in hospitality, professional ethics, tourism in Canada and public relations. Many a tourist from another province or another country has returned home highly impressed by the young Albertans who wear the pin which identifies graduates of the School of Tourism.

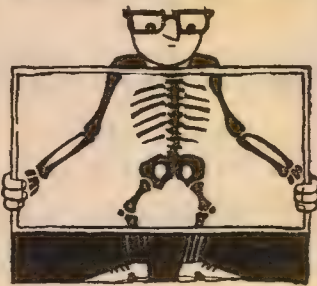

... how the Alberta farmer keeps up-to-date on modern agricultural techniques?

There are many links in the communication chain extending from the agricultural research laboratory, where new ideas are developed, to the working farmer, who puts them to practical use. One of the most important is the District Agriculturist. A

respected member of the community he serves, the D.A. is a professional consultant whose years of training and experience are backed by the facilities of the University, the Canada Department of Agriculture and the Extension Division of the Alberta Department of Agriculture. He is an adviser not only on the techniques of more efficient farm production but also on the management of the farm as a family business. The D.A.'s office is a distribution center for information on newly-developed farming methods which are passed along to the farmer by means of personal contact, demonstration, short courses and clinics. Alberta farmers know that, if they need professional advice or assistance, it is no farther away than the office of the nearest D.A.

... what are the most important weapons in Alberta's war against tuberculosis?

The incidence of TB in our province is being controlled through early detection, adequate treatment and continuing contact, the three main functions of the Tuberculosis Division of the Alberta Department of Health. Early discovery of the disease is obtained through reports from family doctors, testing in schools and hospitals, and from two mobile X-ray units. Purchased by the Alberta TB Association and operated by the TB Division, these units provide a screening program throughout the province. If the X-rays show signs of TB

or related diseases, further tests are made. Adequate treatment is given without charge to those suffering from the disease at the two provincial sanatoria. Patients are kept only as long as isolation is required, an average of five and a half months, then are returned home and continue their treatment as out-patients at the sanatoria or one of the 16 clinics at various locations in Alberta. A Central TB Registry fulfills the final function by keeping the Tuberculosis Division in contact with former patients to ensure they are continuing treatment if required.

... how the girls of Alberta are being taught to appreciate the great outdoors?

Any Alberta girl between the ages of 10 and 16 is eligible to learn forest conservation and wilderness survival as a member of the Girl Forest Guards. Similar in aims to the Junior Forest Warden Association; the Guards have now been transferred from the Department of Lands and Forests, to the Department of Youth. Presently there are five such clubs in the province with a total of 65 members. Under the leadership of local volunteers, the girls study the theory of conservation and resource management throughout the winter; undertake local beautification projects in the spring with tree, shrub and flower planting; and swing into even more practical instruction at a five-day camp during the summer. Attendance at the camp is an

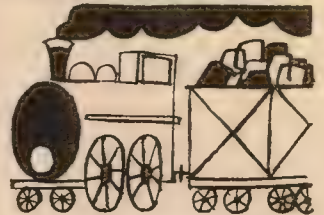

award for high achievement in the club. All expenses, with the exception of a \$5 registration fee, are paid for by the Department of Youth, and resource people from the government act as lecturers and instructors. Forest biology, bush survival, use of map and compass, and fire fighting are a few of the subjects taught.

... what steps are being taken to assure a proper education for Alberta's blind children?

Although Alberta itself has no school for the blind, the province's blind children are assured of a complete education by the Special Educational Services of the Alberta Department of Education. Arrangements are made for those children applying to attend the Jericho Hill School for the Blind and Deaf, in Vancouver, or the Ontario School for the Blind in Brantford. Room, board, and tuition are all paid, and the children receive escorted transportation to school and home at the beginning and end of the term, and for the Christmas holidays. Where academic ability and personality make it possible, blind students are being removed from the special classes and enrolled in their own local schools, making it possible for them to live at home. Special teaching materials such as tape recordings and textbooks transcribed into Braille are provided by the Branch, which also assists teachers to assess the capabilities of their sightless students. In addition to aiding the blind gain an education, the Special Educational Services Branch also supervises and finances classes for the hard of hearing, those who have suffered partial loss of sight, and for all handicapped children in the province.

... what is the most important step in the development of Alberta's natural resources?

The most important is that long, long step that joins the actual location of the resources with the areas in which they can be put to the best use. A natural resource is not an asset until it is developed and transportation is a vital aspect of this development. Formerly inaccessible areas of Alberta, rich in such resources as coking coal, gypsum, pulpwood, petroleum, natural gas and sulphur, are now being opened up by the construction of the Alberta Resources Railway. Being built by the Canadian National Railway and financed by the Alberta Resources Railway Corporation, a crown corporation of the province, the A.R.R. joins

Solomon on the south with Grande Prairie on the north. The southern link with the C.N.R. mainline provides access not only to inland markets of Canada and the United States, but also to overseas markets through the west coast ports of Prince Rupert and Vancouver. The northern terminus at Grande Prairie will bring the rich agricultural area of the Peace River District 400 miles closer to west coast ports. Once complete, the A.R.R. will be leased and operated by the C.N.R. who may purchase the line at their option.

United Church Setting For Recent Ceremony

A pretty wedding took place on October 21st in the Drayton Valley United Church, Rev. E. Martin officiating.

At 2:30 p.m. Miss Beverly Ann Kelly, daughter of Mr. and Mrs. Earl Kelly, was united in marriage to Gary Weldon Cropley, son of Mrs. Beatrice Cropley and grandson of the late Mr. Church Cropley, one of the first settlers in the Berrymoor district.

The bride had chosen a floor length gown of tulle and lace, with lily point sleeves and matching train. Her shoulder length veil was held in place by two roses and pearl ornament.

The maid of honor Miss Dayna Cropley sister of the groom, wore pale green satin with organza train. The bridesmaids, Mrs. Carolyn Kelly, sister-in-law of the bride and Miss Judith Kelly cousin of the bride, wore pink lace over satin with silver slippers and a velvet bow as their only headdress. Each wore a single strand crystal necklace, gift of the bride.

The groom was attended by, George Davidson, cousin of the bride, Joseph Kelly brother of the bride and long time friend of the groom and by Warren Miller, cousin of the groom, from Markerville, Alberta.

The bride's mother choose a blue lace two piece dress for the occasion with blue whimsy hat, pink gloves and wore a pink corsage.

The mother of the groom wore a grey printed, one-piece gown with white hat and gloves and wore a blue corsage.

Mr. Dale Davidson and Mr. Randy Robb did the ushering at the church and helped with seating of guests at the reception.

The reception was held in the newly enlarged Whitby Community Centre where a lovely roast beef supper was served by the women of the district. Reverend Martin gave the blessing. Warren Miller was Master of Ceremonies and Clarence Kelly proposed the toast to the bride. A toast to the bridesmaids was proposed by Joe Kelly. A most appropriate speech was made by the groom's mother, Mrs. Beatrice Cropley and answered by the bride's father, Earl Kelly.

After opening their many and lovely gifts the wedding party went for a drive through the countryside while the floor was cleared for dancing. Music was supplied by Rosaire Parenteau and son.

For her going away apparel, the bride choose a red two-piece suit of bonded wool with black patent shoes and black purse.

A short honeymoon to Elk Island, Al Oemings Game Farm and points east were enjoyed by Bev and Gary.

Out of town guests were from Edmonton, Stony Plain, Vancouver, Salmon Arm and Markerville.

EASYFORD NEWS

A Hallowe'en party for the community children was held at the hall on the evening of October 29th. For different age groups, prizes were given for the best costumes.

Mrs. R. Perchall (nee Kitty Devy) and daughter, Tracy, of Vancouver, B.C., flew out and is visiting her mother, Mrs. Emily Devy.

Friends of the community and also Drayton Valley gathered at the home of Mr. and Mrs. Wayne Fertig to wish them well in their new home.

Mr. and Mrs. Clyde Devy of Edmonton were weekend visitors with Mr. and Mrs. Donald Oscar and Mrs. E. Devy.

Susan Oscar and her fiancée Glen Engleheart of Edmonton visited with her parents, Mr. and Mrs. Donald Oscar. Susan is now sporting a lovely diamond.

JoAnn Devy left for Edmonton where she is hoping to find

a job there. She will be staying with Susan Oscar.

Mr. and Mrs. Harold Fink motored to Camrose on Saturday to attend the wedding of Mrs. Fink's cousin.

Mr. and Mrs. John Henkle motored to Edmonton on the weekend.

The team standings of the Easyford Bowling League are as follows: Olwers Big Heads, 14; Ted's Tigers, 13; Barry's Fearless Five, 13; Wayne's Knotheads, 12; Lloyd's Loafers 12; and Harold's Hornets, 7.

Some people have two ideas about a secret. Either it's not worth keeping, or it's too good to keep.

Recreation Round-Up

By
Mike Gormley

CIVIC CENTRE SCHEDULE

The Centennial Civic Centre schedule for the 1967-68 winter season has been finalized. The schedule is being published in The Western Review and copies are available at the Recreation Office and the Civic Centre.

As you can see at a glance, we have a crammed packed schedule. With time allotted to public skating, figure skating and seven or eight different levels of hockey and with the very limited times that we have got to work with, it makes for some extremely tight scheduling. From now until April 1, 1968 there will be precious little spare time at the Centennial Civic Centre.

A definite policy has been set up in respect to the use of the ice after 10:00 p.m. Commitments have been made to the newly organized town Broomball League and the Intermediate hockey organization in this respect. Once again here we have little or no time to bargain with. Any group or organization desiring the use of the rink during the extremely few and far between hours after closing time should contact the Recreation Office at their earliest opportunity. We certainly are not in a position to make any promises, however, with possible cancellations from the committed groups we may see a bit of daylight from time to time. If we have any ice time to spare it will be available on a first come first serve basis.

BROOMBALL LEAGUE FORMED

An Intra-town broomball league is being formed here in Drayton Valley. The teams making up the league are

Pembina Pipeline, Braiden-Hay, Pan American, Mobil Oil, Goliad and Canada Cities Services. The broomballers will play at the Centennial Civic Centre every Monday and Wednesday night at 10:00 p.m. A definite league schedule is being prepared and will be published in the near future.

MINOR HOCKEY

The Minor Hockey Program is underway. The Bantams both from Tomahawk and Drayton Valley held their first practice Monday evening and Tuesday saw the Midgets and the Juveniles out for the first time. The Mites and the Pee Wees hit the ice for the first time on Wednesday evening.

We have run into an old problem early in our Minor Hockey program, that is the problem of late registration. Registration forms have been on the market for three weeks now, yet much more than one half of the potential hockey players from Mite to Juvenile have yet to register. The result is that our facilities and our schedule are ready to go but our program is lagging behind and will lag behind for a time because it is impossible to cram a couple of week's work into a couple of days. Registrations will still have to be screened and the required regulations met before the program progresses. From here it would seem that November 20th is the earliest possible date that a complete and finalized scheduled program can be expected to be in force. Until that time regular

scheduled practices at all levels will be held, teams will be formed, leagues and schedules will be finalized and all will be set in readiness for what we hope will be a successful minor hockey season.

Once again boys, if you want to play hockey during the 1967-68 hockey season, register now so that we can get on with the business of organizing our hockey program.

FIGURE SKATING WORKSHOP

The Figure Skating Workshop presented at the Centennial Civic Centre last Saturday was very successful in every respect. The workshop presented by the Alberta Figure Skating Association was well attended by persons throughout the district as well as those from Drayton Valley. The workshop was informative and resourceful for everyone in attendance.

Figure Skaters Start Season

The figure skating season will start Monday, November 13th in Drayton Valley. Registration forms may be picked up at the Centennial Civic Center, the Town Office or from Mrs. Gwen Simpson. Fees have been set at \$3 for beginners, \$4 for preliminaries and \$5 for bronze and silver. In addition to these fees each figure skater is required to have a season skating ticket.

A meeting of the Drayton Valley Figure Skating Club will be held Sunday afternoon at 2:00 p.m. in the Town Council Chambers.

BURTONSVILLE NEWS

Mrs. A. Homme,
Correspondent.

A farmer close to here reported searching for his cow with a new born calf recently. About 8:30 p.m. as he approached the cow he saw with the tractor lights, 6 pairs of coyote eyes very close to the cow that was standing over her calf.

On October 27th Mr. John Tinney from Highvale visited his old friend, Axel Homme. He was accompanied by his neighbor Mr. Brown.

Mary Tattersall has arrived home. Welcome home Mary. Mr. and Mrs. Herman Weiting of Edmonton visited Mr. and Mrs. Axel Homme on Sunday evening. Nan was raised in the Lindale area.

Mr. and Mrs. Conrad Henkel both of Mewasin, and Mr. and Mrs. Hank Kiser visited at Cecil and June Homme's on Sunday after church service. Mrs. Doug MacDougall of

Do you know what to expect from fabric softeners?

A fabric softener makes clothes feel soft and fluffy, reduces wrinkling and makes ironing easier by lubricating the fibres with an oil-like film. In one test, done at a University, towels that were rinsed with a fabric softener increased in bulk by 33%. Also the treated towels felt much softer and smoother, nicer to use.

It was reported that the softener also minimized wrinkling and many things could be put away without ironing. On the same test, the experimenters found that treated blouses needed only a touch-up with the iron and even then it was noticeably faster and easier to iron.

Many of you have had the problem of clinging slip that crackles when you walk. Static electricity is the villain. Fabric softeners contribute antistatic properties to the fabrics, thus reducing the "spark" and "cling" of many synthetic fabrics which do not

Keepills and Mr. and Mrs. Henry Kiser sr. of Mewasin and Charlie Bennet visited at the parsonage.

Mr. and Mrs. Steve Oshvolda and family drove from Wildwood to attend the evening service and the last meeting in the revival campaign by Rev. C.I.L. Walls.

retain enough moisture.

A work of caution when using fabric softeners. They should be added to the final clear rinse. Softeners have an attraction for detergents and soaps and wrapped up in this infatuation, they forget about doing their job on the clothes. This "love" only costs you money, therefore, use a clear rinse water and get the most out of your fabric softener.

If you have any further questions on laundry products or problems, phone or write to your district home economist.

Publication available called "Your Home Laundry Guide" which you can obtain upon request.

October 31--Mrs. Nelson Niles (Joan), Swan Hills - Girl - 3 lbs. 6 1/4 ozs.
October 31--Mrs. Dave Unger (Geraldine), Evansburg - Boy - 8 lbs. 8 1/4 ozs.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Lawrence Duperron spent the weekend visiting parents and other relatives at Lac La Biche.

The Drayton Valley Art Club held their annual showing and tea on Saturday afternoon. The function was very well attended. Mrs. Jahnke, Hospital Supervisor, has been invited by club members to choose six paintings for the wards in the new hospital wing.

The 4-H Beef Club has organized and is on the way for another successful year. Club leader Otto Guze says that eighteen members have joined and inquiries are still coming in.

Miss Josephine Stewart and Mr. Anthony King will be married in the bride's home town of Alexandria, B.C. on November 25th. Miss Stewart is well known here. She is a grand-daughter of Mr. and Mrs. Vowk, of Easyford, and has a number of other relatives in the district. Mr. King has a farm in Meadow Lake, Saskatchewan, where the couple will make their home.

Miss Lorraine Hazzard who is attending business college in Edmonton this year was home for the weekend. Her cousin, Miss Carol Dusza was her guest.

Mr. and Mrs. Timothy Bereznuik

Photo by Jacobs Studio

Bereznuik - Warsaba

A gladioli banked altar in the Drayton Valley United Church set the scene for a beautiful summer wedding on the 5th of August, 1967 when Valerie Jane, only daughter of Mr. and Mrs. John Warsaba of Violet Grove, and Timothy Bereznuik, son of Mr. and Mrs. Nick Bereznuik of Edmonton exchanged marriage vows.

Rev. Martin officiated at the double ring ceremony. The bride given in marriage by her father, looked radiant in her floor length gown of peau de soie, over satin with attached nylon with lace trim train and matching head-piece of rhinestones and pearls encircling a large rose. Her only jewelry was a gold cross necklace and matching earrings, gift of the groom. Her bouquet was American Beauty roses, and tiny rosebud streamers.

Maid of honor, Miss Wendy Cartwright, and Miss Delilah Duperron, wore identical gowns of blue french lace, with matching head-pieces, and carried arm bouquets of pink and white carnations.

The grooms attendants were Roger Warsaba, brother of the bride, and Kenneth Yahemonchuk of Fort McMurray. Flower girl, Deborah Rediron, and Jamie Adell Ross, train carrier assisted by Michael Sproule of Toronto, nephew of the groom. Both girls looked darling in identical knee-length dresses of white chiffon with pink accessories, and carried bouquets of pink and white carnations.

Ring bearer was Rodney Bereznuik, nephew of the groom. Ushers were, Mr. Gary Janzen and Mr. Walter Bereznuik, brother of the groom.

For her daughters wedding, Mrs. Warsaba choose a blue two-piece lace suit with pink and blue accessories, and a corsage of American Beauty roses.

Mrs. Bereznuik, mother of the groom, chose a brown lace dress with white accessories, and a corsage of American Beauty roses completed her ensemble.

Mrs. Martin played the piano while soloist, Mrs. Lila Sleno, sang the Wedding Prayer, during the signing of the register.

Following the ceremony a reception, prepared by the Ukrainian Catholic Ladies Club, was held in the Elks Hall.

The happy couple will make their home in Fort McMurray, where the groom is employed.

KEEPPHILLS NEWS

Mrs. G. Raymond,
Correspondent

Moving has been the topic of conversation the last few days. Mrs. Julia MacLean, Richard, and Bill moved from the Highvale area to Devon. Mr. and Mrs. Mel Moger moved into the Maclean house. Laura and Ed Bacon from Manitoba moved into the Lloyd Young house also in the Highvale area.

Club News

ALDER FLATS BEEF CLUB REORGANIZED

A re-organizational meeting of the Alder Flats 4-H Beef Club was held in the Legion Hall, October 19th.

A new executive was elected and includes: Sharon Durant President; Byron Larson, vice-president; Dexter Johnson, secretary; Jerry Johnson, treasurer; Heather MacLean, club reporter; and Byron Larson, junior leader.

It was decided that calves will be weighed in November 4th at 10:00 a.m.

The meetings will be held as usual, the second Friday of every month.

There will be a turkey shoot and pancake supper on November 25th.

TOMAHAWK CLOTHING CLUB REORGANIZED

The re-organizational meeting of the Tomahawk 4-H Clothing Club was held at the home of the leader, Mrs. Dorothy Domke on September 25, 1967. The meeting began with Joyce Jouan leading the pledge. New officers were elected and the old business cleared up.

The girls decided to meet Saturday, September 30th to plan the program for the coming year.

The meeting came to a close with all enjoying cool aid, cookies and a short sing song.

PREVENT FIRES

Crystal White celebrated her sixth birthday on November 1st and had her new cousin Cindy Lee for her first visit to Keephills.

Congratulations to Betty and George Strassburger on the birth of a daughter Rosanne Marie on October 27th, 6 lbs. 8 ozs.

Most of the fall plowing has been completed in this area.

The road across the south end of Low Water Lake is being completed. This will shorten the distance to Drayton Valley by several miles.

Mr. and Mrs. Herman Weiting of Edmonton were visiting with Mr. and Mrs. Raymond on October 29th. Mrs. Weiting and Mrs. Raymond were girlhood friends and it had been 25 years since they had seen each other.

Hallowe'en was rather quiet with lots of happy faces calling at the doors from three year sizes up. Of a more serious nature were the mail boxes torn from their moorings and some taken away.

THANK YOU

THANK YOU - We would like to thank our many friends and neighbors for the farewell gathering held recently at the Shoal Lake school; for the gifts presented by the women of the Tomahawk F.W.U.A. and Tomahawk Library; also the very attractive wishing well created by Marian Jouan which contained the gifts of the attending friends. We would further like to express special thanks to Henry Joneson, Jack Worden and Norman Zinn for their help before and at the sale.

Buck and Jean Buchanan

THANK YOU - Many thanks to all the fine people in Drayton Valley for volunteering their time and efforts in exercising my grandson, Brent. Without hour assistance it would have been impossible. Thanks again everyone of you.

Hilda Kolstad
